

Bodyline Spare Parts

Why would you trust anyone else?

Bodyline is a division of Mills-Tui, one of the largest companies designing and manufacturing heavy vehicles in Australia. At Bodyline we can provide all your spare parts requirements for buses, coaches, trucks, fire appliances, ambulances and heavy specialised vehicles, quickly and anywhere in Australia. We can supply parts for all your Mills-Tui vehicles, Denning Landseer, Austral Tourmaster, Starliner, Orbit, Majestic, Valere, Sprinter Dash and almost any heavy vehicle you might have. We can also provide all your off the shelf components.

Don't trust your heavy vehicle to inferior parts, or poor advice. Put your trust in the people who build and repair the best heavy vehicles in Australia.

Extensive inventory available
